Indigo Moon

Port St Francis

When an opportunity to grab arguably the best location with an awesome ocean view came their way, Harm & Nicky Sleyen of Christy's Seafood and Grill, St Francis Bay, grabbed it with all they had.

Yes, the rent is arguably about the highest of any restaurant in St Francis, but Harm & Nicky are confident that with the right concept and their unique management style, they should be able to establish Indigo Moon as yet another top class eatery at the St Francis Bay port, aka Port St Francis.

There is no more a Baboli restaurant. In its place is the delightful new Indigo Moon seafood restaurant with a new warmth and charm.

Christy's Seafood and Grill has experienced its best growth year from February 2017 till March 2018 with the Steyns at the helm. Mainly due to hard work, persistence and well executed service and product supply they have been able to establish Christy's as a favourite eatery for locals & visitors from near and far.

For the present Indigo Moon will concentrate on the following offerings:

- * A small but very effective breakfast menu (8 am till 12 noon)
- * A lunch menu to showcase top quality Seafood & signature prime cuts of Angus steaks (12 noon - 3pm)
- * The kitchen will close a 7.30 pm to highlight an early "Sunset Dinner" experience with some delicious seafood & light cheese and wine platters. Bookings are essential for sunset dinners as there will only be one seating.

Indigo Moon will be available in the evenings for private functions such as Birthday parties, pre-wedding dinners, year-end parties or any other function that might be required.

Please contact Indigo Moon for any further information on 042 2940483.
