Pay your electricity bill or be cut off!

A dire warning has been issued to Kouga residents and businesses whose electricity accounts are in arrears, to pay their bills or face a freezing winter when their electricity is cut off.

Kouga consumers, struggling to pay high water bills because of the water shortage and increased electricity bills, have been warned to pay for their electricity or else have no power for

warmth or cooking in their houses.

They need to make arrangements with the municipality to pay their debts off to prevent having their electricity blocked during the winter months, at least.

Executive Mayor Horatio-Hendricks said the municipality would be cutting and blocking the electricity of those consumers whose accounts are in arrears.
