Tuna Challenge Results

There was huge excitement at the ski boat club for the 2018 annual Port St Francis Ski Boat Club Tuna Challenge 2018 prize giving last night.

The club was packed with fishermen and their families and proceedings were delayed while everyone intensely watched the Boke boat England, elevating everyone's spirits even further. Jo Brown the MC for the evening bravely arrived spending an English learn shirt, showing her support for her motherland!

Richard Fulford won the first prize for the heaviest fish weighing 50.2 kg and Vincent Lyons won the second prize for his catch of 47.3 kg.

Phillipa Hill won the Ladies' prize for her tuna fish weighing 25.6 kg and Sheena Gerber won second prize for her catch of 24.9kg.

Joel Dace won 1st place with a 25.7 tuna caught and in second place was Jayden Pieterse with 24.9 kg.

The top Boal prize went to See Wolf with his catch of 94.2 kg and the boat with the second best catch was the boat The Jack Skipper, sponsored by Lyons Catch and Corporate Finance, with 93.2 kg tuna caught. Philippa and David Hill's boat, Elusive, was third with 92.7 kg.

All the generous sponsors were thanked including Airlink for the top prizes and Bayview Boating for first prize and Lyons Construction and Corporate Finance for second placed prizes.

For dinner there was a lovely meal provided by Machics with three different meat dishes, including lamb, and salads, which received favourable comments...

Ladies' 1st prize winner, Philippa Hill with a record tuna catch

Catcher of Biggest fish: 2nd Vincent Lyons 47.3 Kg - Boat Lyons Catch with sponsor, Warren Rachtman

Top Junior, Joel Dace, with MC, Joe Brown

Jayden Pieterse, the 2nd top Junior fisherman

Eco Kids' fun outing in St Francis

Wild winds did not stop little explorers having the best time at the monthly Eco-Kids outing.

Each month kids and parents alike have so much fun learning and discovering more about the beautiful area in which we live, places in St Francis.

No one anticipated the length and intensity of the walk, however, it was richly rewarding, and all the kids were so enthusiastic. The delicious snacks and scones served at Dune Ridge at the end of it all was the cherry on top.

Ferraris at the Links

The St Francis Links was alive to the roar of Ferraris earlier this month when Ferrari owners from Cape Town to Port Elizabeth arrived to have a fire star lunch at St Francis Links. The cars elicited an excited crowd of admirers and many "Oohs" and "Aahs!"
